

## Effective Ways of Working as an NLC

What have been our challenges in coming together as a group? E.g. setting up, communication, time, distance, collaboration(ways of), planning, evaluation etc

Challenges	Any strategies used to overcome challenges
Time + Distance (Large area covered in NLC.)	use of VC. (Not 100% attendance) Changing the venue of each meeting.
Non participation of some schools	Set protocols for being part of the cluster. meetings
Time - workload issues.	Get principals on board Yearly time table of events/meetings
Reluctant people	Task to complete (accountability)
Lack of Commitment	Set protocols.
Communication (e.g. funding available etc.)	Ensure all school know what support they can get.
